

Homework Guide For Parents

• SIMPLER, CALMER, EASIER HOMEWORK •

All parents want their child to get the most out of school and to acquire the knowledge and skills that will stand them in good stead for later life. But with an ever-expanding curriculum, increasing class sizes, and the lure of TV and computer games, parents are sometimes at a loss as to how to help their children.

Adapted from the book by parenting expert Noël Janis-Norton, *Simpler, Calmer, Easier, Homework*, this document contains a summarized version in point form where I show you how you can help your children develop the skills and resources they need to succeed, through a series of homework "rules" and strategies to establish good homework habits.

This document contains:

- Homework rules for parents and child
- How to work through the 3 stages of homework
- Other rules to aid healthy family culture for homework
- How to assist during studying / exams
- How to improve listening skills
- How to improve writing
- How to improve handwriting
